Dear Mr. Jensen:

Thank you for your letter dated March 13th. The Investigating Committee of Baltimore Presbytery appreciates your cooperation in assisting us in our work. To help us in our investigation of Rev. Stroud, we are asking you to please do the following:

- 1) The committee would like to meet with you face to face at the Presbytery Office in Baltimore to hear your personal, first-hand testimony concerning the allegations you are presenting. Specifically, to hear your first-hand knowledge of Rev. Stroud's homosexual practices, and to listen to your personal account of him performing "holy union blessings," and considering them to be the same as marriages. If there are any other items to which you wish to give personal witness, opportunity will be given to you.
- 2) In the interest of saving time, the committee requests you to please send all other written documents and records you have concerning this matter, if there is anything else, for the committee to review. You can send these items to me at Kenwood Church at the above address.
- 3) The committee would like you to write a brief statement of exactly what is the heresy you feel Rev. Stroud has committed. Please send that statement with any other documents.

We are suggesting two dates for your visit with us to give your testimony. Either Wednesday, May 29th at 7:00 p.m., or Thursday afternoon, May 30th, at 1:00. We apologize that these are the earliest times the committee could find. Please let me know if one of those times is good for you. If not, we need to arrange another time.

Also, to assure accuracy, the committee will audiotape record your statement.

Again, thank you for your cooperation. I look forward to hearing from you.

Sincerely,

John Kazanjian, Chair
